Privacy Notice

1. Who are we and what do we offer?

We are Treebytree B.V. (**Treebytree**). We empower businesses (our **Customers**) and individuals to accelerate nature restoration through our Green Impact Platform (**Platform**), enabling informed, impactful choices for a greener future. By connecting businesses directly with nature regeneration projects, we help them grow company forests and gift trees as meaningful corporate gifts. Our platform provides real-time insights into the positive impact being made, fostering engagement among employees and customers, while supporting companies in achieving their green goals and driving measurable environmental change.

You can access our Platform via our **Website**: <https://treebytree.earth>. The use of the Platform, the Website and related services collectively: our **Services**.

2. Personal Data and Controller

We process **Personal Data**. Personal Data means all information by which a person can be directly or indirectly identified. Under the General Data Protection Regulation (**GDPR**) we are the so-called **Controller** of your Personal Data when you have created an account on our Platform or visit our Website. If you have questions about the processing of your Personal Data, you can always contact us through the contact details listed at the bottom of this Privacy Notice.

3. Source of your Personal Data

If you have received an email about a gift, it is because we sent it on behalf of one of our Customers. They provided us with your Personal Data either because you gave them permission or because you purchased their products or services and did not opt out. Under the GDPR, our Customers are the 'Controller', meaning they are responsible for sharing your Personal Data with us and sending the emails. For details on how they handle your Personal Data, please refer to the privacy notices on their websites.

Once you accept the gift and create an account on our Platform, we will process your Personal Data as the Controller for the purposes as set out in this Privacy Notice. If you choose not to accept the gift, we will not use your Personal Data, in line with our Customer's instructions.

4. What Personal Data do we collect as Controller?

As the Controller, we may process your Personal Data in different contexts. We will process your Personal Data if you represent an organisation as one of our Customers or partners (**Business Contacts**), create an Account on our Platform as gift receiver (**Gift Receiver**), if you work with our restoration partners in nature restoration projects (**Restoration Partner**) and if you apply for a job at Treebytree (**Applicants**). Finally, we may process Personal Data in a general context, e.g. via our Website and social media accounts (**General**).

5. How long do we keep the Personal Data?

We will not process or store any Personal Data that we do not need. We store Personal Data for as long as we need it for the above purposes unless we are legally obliged to retain the Personal Data for a longer period. In this respect, we apply the following retention periods:

- **Personal Data of Business Contacts** | This Personal Data will be retained for as long as we have a relationship with the organisations you represent and five years after the end of that relationship.
- **Personal Data of Gift Receivers** | This Personal Data will be retained for as long as the account is active and 6 months thereafter.
- **Personal Data of Restoration Partners** | This Personal Data will be retained for as long as the restoration gift you are involved with is alive.
- **Personal Data used in newsletters** | We retain the Personal Data used for sending newsletters until you unsubscribe from our newsletter.
- **Personal Data in our correspondence** | This data is stored as long as necessary to handle your message/question/complaint and for a period of 5 years thereafter.
- **Personal Data in our records for the (tax) authorities** | This data is stored for seven (7) years unless we are legally obliged to retain the data for a longer period.
- **Personal Data of Applicants** | We store this Personal Data for a maximum of 5 year after the application process to ensure that we do not approach you again. This is a commitment we have to our recruitment firm.

After expiry of these retention period(s), we may process and retain certain Personal Data to comply with legal retention obligations and/or for fraud/misuse investigations or to substantiate a (judicial) claim. In such events, we will retain the Personal Data separately and only use such Personal Data for the aforementioned purposes.

6. Do we share your Personal Data with others?

Processors

We work with third parties who process Personal Data on our behalf (**Processors**). By doing so, we continue to uphold responsibility for ensuring protection of your Personal Data during such processing. These Processors may only use or disclose the data collected and processed by us within the scope of our instructions to them and under no circumstances for other purposes. We enter into a data processing agreement with all of our Processors.

For instance, we use Processors for:

- Data storage;
- Email management and communication;
- Analysis of the use of our Platform; and
- Sending newsletters.

Controllers

We might also share your Personal Data with third parties who use it for their own purposes (**Controllers**). Once they have your Personal Data, it is their responsibility to protect it. To know how these parties handle Personal Data, you can check their privacy notices. In this regard, we share only Personal Data with the **tax authorities**. This is because we are legally obliged to include (some of) the Personal Data in our financial administration, which must be shared with the national tax authority.

Apart from the above, we will only share Personal Data with Controllers if the law obliges us to, if you give your permission or if this is necessary in special situations such as:

- The protection of our own interests or those of the Controllers;
- Dealing with a legal case; or
- Selling or merging our company.

7. Export of Personal Data outside the European Union

We may transmit Personal Data to parties outside the European Union, if one of our Processors or Controllers is established outside the European Union. Personal Data will only be transferred to countries and/or parties that provide an adequate level of protection in accordance with the European standards, or if we have contractual safeguards in place. You may contact us if you wish to receive more information or a copy of the safeguards we take in this scope.

8. Third party websites

You may find advertising or other (hyper)links on our Website that link to the websites, products and services of partners, suppliers, advertisers, sponsors, licensors or other third parties. We do not control the content or the links that appear on these websites and we are not responsible for the practices employed by websites linked to or from our Website. In addition, these websites, products, and services, including their content and links, may be constantly changing. These websites, products and services may have their own privacy notices, user terms and customer service policies. Browsing and interaction on any other website, including websites that are linked to or from our Website, are subject to the terms and policies of that website.

9. Changes of the Privacy Notice

The Privacy Notice may be changed from time to time. Please check our Privacy Notice frequently. The new Privacy Notice will be effective immediately upon posting on our Website. If we change our Privacy Notice significantly, then we will state so on our Website together with the revised Privacy Notice.

10. Your rights as a data subject and our contact data

You have the right to...

 <p>Access You can ask us to provide access to, and a copy of, your personal data along with additional relevant details.</p>	 <p>Data portability You can ask us to give you your personal data in a format that you can easily use elsewhere.</p>
 <p>Rectification You can ask us to rectify any inaccuracies or complete any incompleteness in your personal data.</p>	 <p>Restrict processing You can ask us to stop using your personal data, but still keep it stored.</p>
 <p>Erasure You can ask us to erase your personal data, a right often referred to as "the right to be forgotten".</p>	 <p>Withdraw consent You can ask us to stop using your personal data for the purpose we requested your consent for. This does not impact the legality of any prior or other uses of your data.</p>

Object
You can ask us to stop using your personal data for things like direct marketing or for our own business needs.

You are always entitled to file a complaint with a data protection supervisory authority if you believe that we are not processing your Personal Data in accordance with the GDPR. In the Netherlands, the supervisory authority for data protection is:

Autoriteit Persoonsgegevens
